The Town of Beetown has adopted the following policy at a legally Noticed Board meeting.

The township offers services to Beetown Residents for a fee. These bills are due within 30 days interest free. If the payments are not received within 30 days there is a 1 ½ % interest per month charged and added to the bill.

We have had several bills not paid for months.

The Board has made a motion, seconded and carried to add a Service Charge of \$10.00 per month after 60 days along with the 1 ½ % interest rate that starts after 30 days.

This Policy will take effect **March 1, 2019**.
